DR. KEYSER IS PREPARED AN ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS —A case of five years tanding cured by DR. KEYSER'S PECTORAL SYRUP

Ритавинан, Jan. 11, 1860. DR. KRYER:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her cate, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used he medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alternan Fifth Ward.

I have been, more or less, in my life, affected with the I have been, more or lest, in my, inc, ance what it severest of colds and houseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases no pravalent. edy for diseases so prevalent. Yours, most respectfully, EDWARD J. JONES,

ETRUBESVILLE, O., March 14, 1859
I have used Dr. Keyser's Cough Sprup for a bad cough
of several years standing, and can cheefully say it is
the best medicine for the same that I have ever taken,
J. W. PBICE.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—Da. Keyser.—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty, to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Da. KEYSER: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bettle of your PECTORAL SYRUF, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny. A GREAT CURE BY DR, KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and splitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my that time I was advised to try your PECTORAL COUG SYRUP, which I did, and after I had taken one bottle was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

JOHN C. LITTLE,
Witness—B. M. KERR. Pechles townhip.

PATTON T>., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very iii, with a bad cough which every one supposed to be consumption. It is relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

DR. KEYSER'S PECTORAL SYRUP IN BLAIRShas the color and the back of a like and Mr. P. Maher, hoth of Blairaville, Pa, tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

ANOTHER NEW CERTIFICATE—DR. KEYSER'S
PECTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so had was it that I could not
sieep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Syrup, which cured me entirely. Signed,
J. W. SIMONTON,
236 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THAT, COUGHING."—'How can I do it?' "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfailty concur in the adviser's admunition as above, for we have tried the "Pectoral." in a most stubborn case, with one of the most distressing, contrary, mulish, unsubdable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of the firing it out, but it was no go. In fact is seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood Et.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and in forty-sight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Congh Pectoral."—Drounsville Clipper, Dec. 14, 1859.

Bran Madam:—The reputation of the Medical Discovery, in curing all kinds of hymors, is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in reglieving all, and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

Imparting to it an unequied gloss and ornitancy, making its soft and silky in its texture, and causing it to curi readily.

The great celebrity and increasing demand for this unequaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities ever any other preparation in use. It cleanses the head and scalp from dandruff and other cutaneous diseases, causing the hair to grow inxuriantly giving it a rich, soft, glossy and fiexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become hald, causing it to yield a resh covering of hair.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest reslectability. It will effectually prevent the hair from turning until the latest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore it to it to its original hue, giving it a dark, glossy appearance.
